A Message from AZRAEL

CHRIST – CONSCIOUSNESS*

There is only one Christ, as there is only one God; Christ, known to mankind through the ancient and Biblical teachings as "Son of God", ever present and waiting for every human self to evolve in consciousness and discover Him – the indwelling spiritual Self. The Master Jesus came to you as a human self to live among you as a visible example of the mystical teachings of the Way, to help mankind reach a better understanding of the Divine Law which decrees that everyone must eventually make the journey of human evolution meeting with his Christ – his inmost Self.

Symbolisms of Christ have been found in all religions, in all great mysteries, and in every Faith. This has existed long before China, Persia or India, for it is from the very foundation of the creation of the Earth. Some of these Christian Mysteries can be found in teachings brought by the Wise Ones – the beloved Brethren who long ago came from the planet of Light and Love to bring the Ancient Wisdom upon the Earth plane.

We here in the Realms of Light never understand why the Christian Church teaches the redemption of Man by the suffering of the One. This can never be; no man can be redeemed by the suffering of the One. Jesus illustrated what every man must do individually for himself – make the journey of Calvary with the Cross in the distance. Each one must climb that hill of Calvary and let the self be crucified. Each Soul must pass that way alone, and each shall be redeemed from earthly sorrow and suffering by the Love of the Christ within.

**THIRD BOOK OF AZRAEL, p. 17-19.*

The most powerful symbol on Earth, as well as in the spheres beyond, is the Cross. The Roman Cross has the long shaft and a short cross-piece fastened at about three-quarters of its length, and this Cross, in the minds of many people, stands for remembrance of the Crucifixion of Jesus.

I would draw your attention to another Cross which is equal in both length and breadth. This symbol is represented on every Altar of every Shrine and Lodge of the Brotherhood where the teaching of Jesus, your Lord, is given and it is one of the oldest symbols known.

The Cross within the Circle has an astrological significance as it represents the Earth. In some other schools of teaching it indicates the four elements of physical life — earth, air, fire and water — and is the symbol of the physical body which is built from the four elements.

People of all ages have been taught by their spiritual teachers to revere the Cross. Within the heart center is situated the blazing jewel which reflects the Light of God. The Light of the Son of God, indwelling, in your heart, beloved, gives to each of you the power to choose your own reactions to all of life's experiences. Man is therefore, the Cross; but when the Light of the Sun (Son) expands in Man's Soul, he becomes encircled by Light. The Cross within the Circle is the result.

The Cross stands for Eternal Truth. I see *you* as a Cross, beloved, each of you who is a Servant of Christ radiating Light until the Whole becomes absorbed into Light, and all that remains is the Son, the Christ.

Whether you know it or not, my beloved, the Light of Christ is being held up before you that it may light your Earth path. You are being given an opportunity to bring forth the perfect life, which is symbolized by the Rose at the Center of the Cross.

CHRIST — CONSCIOUSNESS PREDICTED*

Twelve thousand years ago, in Atlantis
it was predicted by sages
that in our time — 1950 — 2000 A.D.
there would be a great spiritual awakening
to the tremendous Truths that Jesus the Christ
so ably presented 1900 years ago!

Rejected at the time of His earthly ministry,
He will someday be enthroned
in the hearts of all of us.

"Christ is indeed RISEN
and cometh unto His own."

DISCOVER THE CREATIVE TALENT WITHIN YOURSELF*

All the Planes sound a Great Tocsin unto you,
The End of a Cycle hath come, a Higher Order beginneth;
Those unable to qualify for life in it vanish by deficiency,
Keys to the Kingdom are for those who employ them.

The Forty-and-Nine Great Days of Daniel are above the horizon,
But no man entered life unmindful that he faced them;
The Bright Ones sing you a high salutation:
Those who prepare themselves endure and command them!

Satan shall play Races as his spoil until his binding,
The Kingdom's first radiance is racial illumination;
Organize the earth by races and the First Plane hath meaning,
Yet each must recognize its thrice-cloaked destiny.

Till Reincarnation be acknowledged world lamps must flicker only,
All species deploy without systems in logic;
Behold in Reembodiment all Character standeth clear,
But numbing Creed denieth the spectrum of the intellect.

He who explores the world, forever explores himself —
An exploring makes for expanse of character;
Initiative is God finding out the possibilities of His creation
By discovery of the Creative Talent within himself.

The earth rolleth onward despite all slaughters of souls or bodies
Until such enlightenment reacheth the most humble;
But one ariseth presently in America who sealet it to Everyman,
This shall be the rise of the nation's true Greatness.

CHRISTINE CONSCIOUSNESS*

The news spread through the city (Capernaum) that Judah's king had come, and multitudes drew near to press his hand.

And Jesus said, I cannot show the king, unless you see with eyes of soul because the kingdom of the king is in the soul.

And every soul a kingdom is. There is a king for every man.

This king is Love, and when this Love becomes the greatest power in life, it is the Christ; so Christ is king.

And every one may have this Christ dwell in his soul, as Christ dwells in my soul.

The body is the temple of the king, and men may call a holy man a king.

He who would cleanse his mortal form and make it pure, so pure that love and righteousness may dwell unsullied side by side within its walls, is king.

The kings of earth are clothed in royal robes, and sit in state that men may stand in awe of them.

A king of heaven may wear a fisher's garb; may sit in mart of trade; may till the soil, or be a gleaner in the field; may be a slave in mortal chains;

May be adjudged a criminal by men; may languish in a prison cell; may die upon a cross.

Men seldom see what others truly are. The human senses sense what seems to be, and that which seems to be and that which is, may be diverse in every way.

The man of God is pure in heart; he sees the king; he sees with eyes of soul; and when he rises to the plane of Christine consciousness, he knows that he himself is king, is love, is Christ, and so is son of God.

THE ASCENSION OR THE RAISING OF MASTER JESUS*

Master Jesus had become a Neophyte and an Elect before his emergence into the physical world.

Above his head, he bore the Wise Man's Star (the lamp of Arcteklean). This Star blazes invisibly to mundane sight above the head of every man and woman who has entered the order of the Star. These are Elects of the Solar Lodge of Arisen Master Craftsmen.

At the time of his baptism by the Neophyte John, the Elect Jesus was Chroested with Do, the Holy Spirit of Cos Hra Do, the Infinite Source of Being. The Chroesting Light rested upon his brow as a Dove of White Light, beneath the Star, invisible to the lower sight of man.

Chroesting with Do prepares the Chroest for admission into his Celestium, his Cathedral of Transfiguration, where he receives esoteric instruction from the Pro Scenia.

This preparation, in part, consists of loosing of the Soul of the Chroest from his four-fold body. This loosing is mystically described as the "unlatching of shoes."

At his Transfiguration, the Celest Jesus rose into his Celestium. There he met those who traveled ahead of him the Way he went. . . . Having become a Neophyte (Twice Born) of the Order of Hra Do;

. . . Having become an Elect of the Order of the Star;

. . . Having become a Chroest of the Order of the Dove;

. . . Having become a Roil Compt of the Order of the Celestia;

Master Jesus, as Compt Ara Jeru, was raised into the Kingdom of Heaven. There he reigns as a Pre Messa, a Messiah, the great Hra Maiac King — Compt Exempt Adept Hra Jeru, a Divine Magus. He is forever liberated from the necessity of reembodiment in the mundane world of man.

The goal toward which humanity of Earth moves is the Raising of men and women into the Order of Pre Messen, the first and lowest Order of the Solar Cloison of Caducean Master Craftsmen.

"I AM the Way, the Truth, and the Life."

LET THE MIND OF CHRIST BE IN YOU!*

When man has fulfilled
certain requirements of the Great Law —
the mantle of the Christ (the Spirit of the Christ-Self)
is another resource available to man.

When the initiate on the Path
masters the art of selflessness
and learns to let the Mind of Christ be in him,
he qualifies for the ritual of transfiguration,
also known as the *changing of garments*.

By mantling his being and consciousness
in the seamless garment of the living Christ
(having dismantled the soul of the blackened shroud)
man establishes *within* and around his form
the forcefield of the resurrection spiral.

This forcefield,
sustained through his devotion
to the resurrection flame,
is the catalyst necessary
for the final crystallization in his world
of the Christic patterns
that are sealed within the Real Image of the Divine Self.

Thus, each bestowal of grace, confirmed by Right Action,
perfects man as the chalice
into which God pours
the resources of immortal Life.

**CLIMB THE HIGHEST MOUNTAIN* (The Everlasting Gospel) p. 133-4.
Mark & Elizabeth Prophet, Summit Lighthouse,
Colorado Springs, Colorado - 1972

The delight of the Holy Spirit
as it enters into the purified vessel
that cradles the infant Messiah of man's Real Image
is the joy that is known in heaven
"over one sinner that repenteth."

Progressive unfoldment of Reality
within the forcefield of man's consciousness
must bring about a corresponding relinquishment of unreality.
The more Light man invokes,
the more darkness he dispels.

The transmutation of that which is not worthy
to be perpetuated in God or in man
is automatically accomplished
as man fills the void
of his conscious and unconscious being with Light.

For the whole man is made Whole
through the conquering Light
of the Father (released from the I AM Presence),
of the Son (bestowed as the mantle of the Christ),
and of the Holy Spirit (available directly from the Universal).

These are the powers wielded by Jesus Christ
when he rebuked the unclean spirit
and healed the child the disciples could not.
Thus, "they were all amazed at the mighty power of God" in Christ,
which they themselves had not mastered
but which he himself taught that all could master
when they let that Mind be in them which was also in him.

"Let this Mind be in you
which was also in Christ Jesus" . . .

THE SEVEN BODIES OF MAN*

With the gift of identity,
God gave to man seven forcefields,
each one having a different frequency
and therefore providing a unique opportunity to focus
the individuality of God's Consciousness.

These seven forcefields of awareness,
which we call the seven bodies of man, are:

One, the I AM Presence,
also known as the Electronic Presence of God,
which holds the pattern of the Real Self;

Two, the Causal Body of man,
which surrounds the I AM Presence as the chalice for all Good
that the individual has elected
to qualify in word, thought, and deed
since the moment of creation
when the blueprint of his identity
was sealed in the fiery core of the God Self;

Three, the Christ Self,
focal point for the manifestation
of the Universal Christ within the individual
through the action of the Holy Spirit;

Four, the etheric or memory body,
vehicle for the soul,
holding the blueprint of the perfect image
to be outpictured in the world of form;

**CLIMB THE HIGHEST MOUNTAIN* by Mark & Elizabeth Prophet, p. 136
Summit Lighthouse, Colorado Springs, Colorado, 1972.

Five, the mental body,
vehicle for the Mind of God through Christ;

Six, the emotional body,
vehicle for God's feelings and energy in motion;

Seven, the physical body,
vehicle for God's power
and focal point for the crystallization of the energies
of the other six bodies in form.

Now let us explore the function
and purpose of the four lower bodies:

The *etheric or memory body* (etheric envelope)
is the fire body with the highest vibration
of the four lower bodies.

It is the only one the four which is permanent.
It is carried over from one embodiment to the next.

Within the etheric body there are two forcefields:

The higher etheric body records
the perfection of the I AM Presence
and to anchor in man the divine blueprint
of his Christed individuality.

It cradles the soul and the pure energies of God
that flow into man's being
released through the power of the spoken Word.

The lower etheric body
is the subconscious mind,
that computer which stores the data of man's life —
all of his experiences, his thoughts, his words, his actions,
which are expressed through the mental, emotional,
and physical body.

Every vibration that comes to man is molding factors
of the personality of man
until they are erased by the Sacred Fire
and are then replaced with the perfect markings of Christ Self.

SEEK THE GODHOOD WITHIN YOURSELVES*

Seek ye a voice speaking hope for the multitude? I say that it shall be with you as it hath been unto the seers in past ages: that they did command the vision that was glorious within themselves.

Many are those who come unto me saying: Lord give us of Thy Wisdom!

I make them reply: And is it my wisdom, that I do hold it selfishly? Have I not told you that the Father giveth through us, that all is radiant and resplendent unto those who walk uprightly in the manner of their utterings?

Do you seek me to counsel you? I say that except as ye do seek the godhood that lieth within yourselves, ye shall in nowise understand eternity's murmurings.

Eternity is experience ever rolling forward, suffering no pitfall to lie open in the pathway in that eyes of reasonings have not proclaimed it and that no voice hath uttered of its peril to the footsteps.

I say that it shall be with you in the last days as it hath been in the beginning: Man hath an errand unto his species: he doeth is nobly, giving no quarter to errands not merciful, injuring no substance that good may be extracted, performing few favors unto those not anointed with the excellent oils of lecheries conquered.

He shall come in as the morning, he shall excel as the noonday, he shall pour out the incense of himself upon his brethren, verily as the scents of an afternoon in summer;

He shall be his own harvest that is gathered at evening, he shall be the fair night when the stars have a balm to soothe out his frettings after the eternal.

Ye are those anointed to do labor, unceasing, to bring in my kingdom so that humankind profiteth!
